

Paris6 – quo vadis?

After *Paris5* comes *Paris6*! It is already certain today that there will be a sixth conference on the topic “*in situ* Preservation of Archaeological Remains” in a few years’ time. Three suggestions were made during the concluding discussion in Kreuzlingen as to where the next conference might take place. These are the three destinations currently under consideration:

York, South Carolina (USA) or London

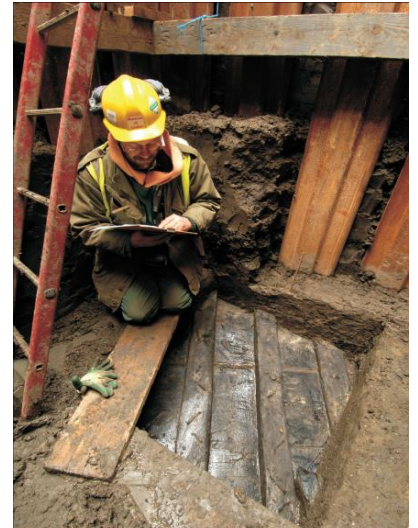

We are now eagerly awaiting concrete suggestions. We will keep you informed here about the date and location of the *Paris6* conference! We are looking forward to meeting you all again for another debate and get-together!
